

Statement of ARRA Compliance

April 2011

To: Whom It May Concern

RE: Stenner Pump Company Products and ARRA

This statement is to certify that the Classic, SVP, M128, and BDF series metering pumps; PCM series pump controls; STS series tanks and systems; and Proportional Injection Systems; manufactured by the Stenner Pump Company in Jacksonville, FL; Halfmoon, NY; or New Century, KS are compliant with the requirements of the American Recovery and Reinvestment Act of 2009, section 1605.
